## Coldwater Posts First Victory in 2010 Campaign

The Coldwater Cavaliers got back on the winning track Friday evening defeating the visiting Ben Logan Raiders and giving Coldwater native Chip Otten his first victory as Head Coach of the Cavaliers. Both team's records now stand at 1-1.

The offense was nearly flawless recording 424 total yards including 239 yards on the ground. This is the most rushing yards in a game since 2007 versus Minster (236). Nine different Cavaliers dented the rushing column lead by Aaron Rammel with 68 yards on six carries, Drew Klosterman (6-64), Austin Bruns (5-45) and Ross Wermert (8-42).

Bruns was a solid 10 of 16 passing for 185 yards. Reese Klenke was again his favorite target snagging 4 balls for 126 yards.

All the scoring came via the rush with Wermert scoring twice and Rammel, Klosterman and Dustin making the most of his one tote for 1 yard and a TD.

The Coldwater defense was stellar allowing just 131 rushing yards to a Raider offense that put over 300 rushing yards and 45 points on the board in week one. With only 40 yards passing Ben Logan tallied just 171 total yards and no touchdowns. It was the first shutout for the Cavalier D since the Hamilton Badin game in week 11 last season.

And now the fun really begins...

**Rockets On The Pad for MAC Liftoff.** The MAC schedule begins this week as the Cavaliers will travel to Anna to face the Rockets. The next two weeks will feature rematches between to MAC foes the Cavs met during the playoffs last season. Coldwater and Anna hooked up in a week 12 affair which the Cavs won in overtime 28-21. Anna has some

young talent stepping up to replaced some seasoned graduates from last seasons 9-3 squad. In the first two weeks of this year they have looked strong defeating Sidney Lehman 29-7 and throttling Sherwood Fairview 55-14.

Since joining the MAC in 2006 Anna has not defeated the Cavs and stand 0-5 overall. Coldwater is one monkey that they would like to get off their backs and last season's playoff loss must still sting. So the Cavaliers have their work cutout for them.

**MAC 'Preseason' Results.** After going 7-3 in the first week of the season the MAC completed non-league action at 13-7. Anna, Ft. Recovery, Marion Local, St. John's and Versailles all went 2-0. Coldwater, St. Henry and Parkway finished 1-1 and Minster and New Bremen failed to post a victory.

**WTLW Honors Coach Reed.** This past weekend WTLW television in Lima announced the formation of the *John Reed Leadership Award*. In consultation with John son David Reed, WTLW will present this award to an area high school sports coach who best exemplifies the traits that were demonstrated in the life of Coach Reed. These include Godly principles, Christian character, humility, discipline, mentoring, teaching, coaching, leading by example, an uncompromising, passionate commitment to students and consistency in competitiveness both in and out of the sports arena.

Kudos to the folks at WTLW for honoring Coach Reed in this way and may this award inspire current and future coaches to see that sports are a tool one can use to prepare students for the challenges of life after high school.

### Week 2 Results

Ben Logan	00	Waynesfield	15
Coldwater	48	Ft. Recovery	29
Marion Local	36	Lehman Cath	37
SCC	14	Minster	19
