Update on Shane Homan

As most know by now, Coldwater running back Shane Homan was severely injured in a JV game on Sept 1st. He sustained a spinal cord bruise at the T5 vertebrae which was also fractured along with two of his ribs. He also lost the use of his legs. Following surgery at Miami Valley Hospital, feeling was restored to his legs, which was great news.

In a recent Facebook posting his mother Tara reported that he was "transferred to the rehab unit at Miami Valley on Sept 7th and is continuing to progress. He's adjusting to the wheelchair quite well. Little victories are still victories. One day at a time!"

The outpouring of prayers and support from the MAC community as well as Celina and St. Marys has been wonderful. We ask that those prayers continue as Shane has a long road ahead. Let's all remain **#ShaneStrong!**
