Inexperience could be a concern for Cavaliers

By GARY R. RASBERRY
grasberry@dailystandard.com

After a 12-1 season and another Midwest Athletic Conference title, the Coldwater Cavaliers will look to some new players to continue the strong tradition.

The team graduated much of the offense and key defensive players, including two Division I football players and another playing Division I baseball.

"There's nothing you can do about lack of experience," said John Reed, who begins

his 15th season as Cavaliers' mentor. "This is probably the most inexperienced team we've had in about five years. There's nothing you can do about that except practice, practice and practice to try and continue to get better to do those things we all take for granted when you have great skill level players.

"These guys have the skills. They just haven't developed it yet. Right now, that's what we're working toward," added Reed.

OFFENSE

While some programs that lose a quarterback like Cory Klenke, who threw for nearly 2,000 yards last season, to graduation might be worried, Coldwater will be just fine.

Keith Wenning, who has seen plenty of playing time the last two years behind center, will take over the starting chores this season. Wenning threw for 480 yards (23-of-43 and no interceptions) and rushed 22 times for 176 yards and three scores last season.

"He is like having a coach on the field. He thinks like

a coach," said Reed. "When's he's running one play, he's thinking how that impacts the next play we're going to run.

"He gives you a maturity level you're not used to having. Obviously mentally and physically, he's a strong, strong athlete. He's one of the

Wenning

best athletes I have ever been around."

The receiver/backs were also hit hard by graduation, especially with all-time points leader Tony Harlamert now a walk-on at Ohio State and receivers like Zach Kaup and Zach Siefring no longer with the team.

The only one with experience is Adam Rammel, who saw more time when Kaup and Siefring were nursing injuries. Rammel had 14 catches for 257

Cavaliers

yards and five touchdowns last season.

"The other kids playing out there have not played (varsity) before," said Reed. "Those are new people: Kurt Schoenherr, Aaron Rammel, Ross Wermert, Colin Paynter, Drew Feltz and Craig Welsch. Those are kids who did not have significant playing time at those positions before."

At fullback, Jake Pohl, who rushed for 137 yards and two scores in late-game play a year ago, and Kurt Westerheide will split time. Brady Otten will also get time in the backfield when the Cavs work a two-back set.

The offensive line will be completely new as all five starters got diplomas. Eric Lefeld, a tight end last year, will move in and play right tackle with Abe Kremer slotted at left tackle. Nick Gilliland and Cody Homan will also look to see action at the tackle spots.

Steve Muhlenkamp and Kevin Wynk will battle for the center spot while guard slots will feature a number of players: Adam Alig, Brandon Berger, Bryan Post and Josh Schlarman.

Look for the Cavs to rotate heavily on the line.

"We don't have the luxury to go two-platoon," said Reed. "A lot of those guys have to play on the defensive side of the ball."

DEFENSE

The defense suffered key losses as well, with Division IV Co-Defensive Player of the Year

Adam Homan (101 tackles) and Harlamert (nine interceptions) now at Ohio State.

Lefeld and Westerheide (71 combined tackles) return at end and tackle respectively. With Keith Uhlenhake at the other end, the rest of the spots on the front wall will be the same mix as for the offensive line spots. Ryan Seas and Gilliland will look to rotate at end.

Pohl, the leading returning tackler with 78 to go along with five sacks and Brady Otten will play the inside linebacker spots in the 4-4. Aaron Rammel, Brad Gilliland and Schoenherr will rotate at linebacker on the outside along with Steve Muhlenkamp. Reese Klenke, currently out with injury, will lineup at linebacker as well when he is cleared to play.

into positions where they get on the field and be a help for us," said Reed.

SPECIAL TEAMS

The spot that the Cavaliers may miss most will be in the kicking game with the graduation of Mario de la Rosa, who graduated with the third-most career PAT's and fourth-most kicking points in OHSAA history.

Troy Otten will take over PAT chores with Kurt Schoenherr

handling kickoffs.

Wenning, who averaged 39.3 yards a punt last season, will handle those chores again.

OUTLOOK

When asked if he and the rest of the coaching staff have had to be a little more patient than past seasons, Reed chuckled.

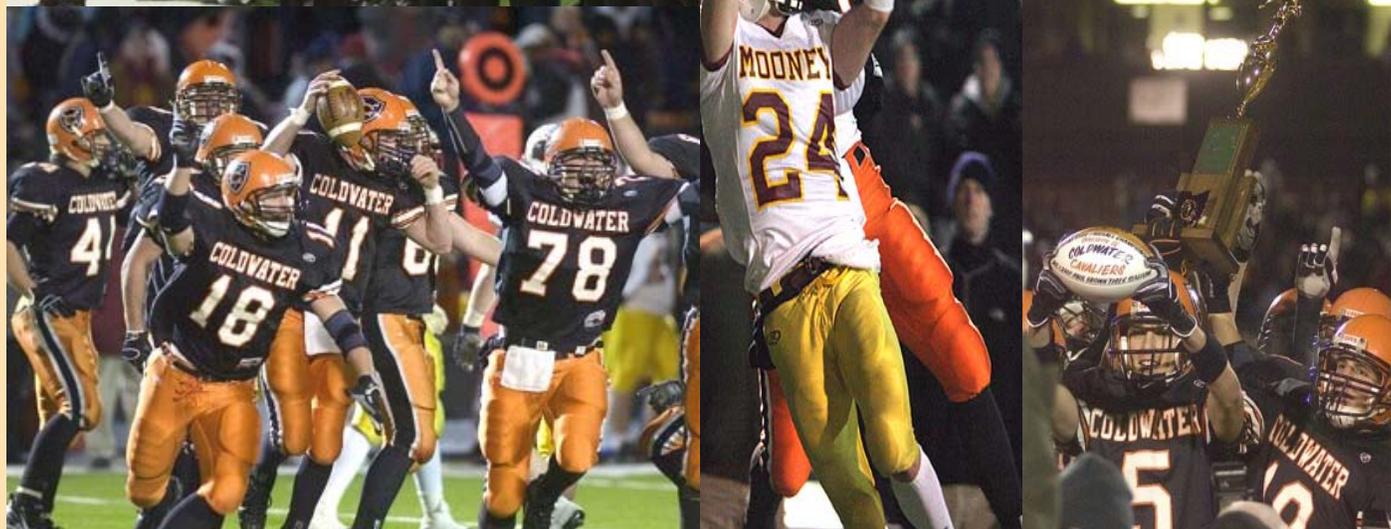

"We're long on patience," said Reed. "It's a good point. I've seen our coaches realize that if you told some of the kids we had

the past couple years something one time, that was it. ... Whereas, with these kids, you have to be patient. You have to keep teaching them.

"We don't have one player on this team that doesn't do their very best on every play. We have to remember, just because they can't execute when we want them to doesn't mean they're not trying. Patience is a key, no question."

Coldwater Outlasts Kenton in Marathon Matchup

The 2009 football campaign began on a cloudy sprinkle-filled evening at Cavalier Stadium and saw the Coldwater Cavaliers trade punches with the Kenton Wildcats before a packed house of enthusiastic fans.

The game took over three hours to complete but in the end Coldwater finally prevailed by scoring the go-ahead touchdown in the last 90 seconds of the game.

If one thought that the weather might extend the evening as it has a few times in recent memory, they'd be wrong. The game took so long because both team feature the pass. In fact they threw a combined 96 passes. And 21 penalties extended the evening as well.

Coldwater wasted no time as they scored the first 22 points of the game. It had the look of recent Kenton matchups until Kenton took control of the game scoring midway through the second quarter to set the score at 22-6.

After the break Kenton continued to controlled the tempo and scored 20 unanswered points to take a 26-22 with eight minutes to play.

The teams continued to battle until Coldwater scored with 1:26 remaining to win the game 29-26.

Senior quarterback Keith Wenning was 22-34 for 239 yards and 3 touchdowns while rushing 23 times for 65 yards. Kurt Schoenheer lead the receiver corps with 6 catches for 76 yards and two TDs.

For Kenton, super sophomore Maty Mauk was 35-56 for 345 yards and three TDs. Andrew Tillman lead all receivers with 117 yards and one TD covering 41 yards.

It was the eighth straight win for the Cavaliers over the Wildcats. The Cavs lead the series 17-9.

Week 2 Features First Ever Meeting With Benjamin Logan High School

Next week, Coldwater completes the non-league portion of their schedule with a first ever trip to Logan Counties' Benjamin Logan High School for a match up with the Raiders.

Ben Logan is coming of a 3-7 season as members of the Central Buckeye Conference. The Raiders moved up to Division III this season.

In their opener they lost a close game to Riverside 14-13. The Raiders led 13-0 at half time but could not hold off Riverside who won their first opener in four years.

For the Raiders, Landon McKirahan rushing was 8-58 and Jonathan Mobley had 55 yards on 13 carries. Dustin Bowers added 43 yards on the ground.

Historically, Coldwater is 50-18-5 and 12-2 under Coach Reed in week two action. Cavalier fans will recall week 2 in 2007 when the Marion Local Flyers drop Coldwater by a score of 35-14 for their only loss in a season that saw the Cavaliers win their second state title.

Coldwater Too Much For The Young Raiders

Coldwater's longest road trip for the 2009 regular season was a pleasant one as the Cavaliers had little trouble with the Benjamin Logan Raiders winning 41-7.

Senior signal caller Keith Wenning led the Cavs once again this week going 14 of 18 for 232 yards and three touchdowns. He added a fourth score on a 1 yard plunge. His passes were spread between six receivers including Colin Paynter (5-132), Kurt Schoenherr (3-36) and Andre Feltz (2-41).

Kurt Westerheide led all rushers on the evening netting 44 yards on just three carries and Ross Wermert provided the short yardage scoring 2 touchdowns on 4 rushes for nine total yards.

The Cavalier defense had a good evening as they held the Raider offense led by QB Dustin Bowers to just 11 yards of total offense in the first half and 80 total yards for the night. The defensive pressure also forced seven Raider fumbles,

two of which the Cavs recovered.

The Raiders were definitely outmatched in this contest but give them credit as they fought hard for all four quarters. Bowers was helped off the field early in the first quarter after a shot to his knee and on the next series was doubled over backwards when he was sacked in the Raider backfield. But give the youngster credit. He as valiant in leading his charges against the superior talent from Coldwater. The Raiders finally cracked the scoreboard with five minutes left in the game for their only score.

MAC Schedule Opens With The Cavaliers Hosting Versailles

The members of the Midwest Athletic Conference begin league play in week three of the 2009 season after another successful non-league schedule.

The MAC was 15-5 in the first two weeks of the season, continuing a record of success in recent years.

Coldwater opens league play with a visit from Versailles Tigers.

The Tigers were successful in their first two games defeating Dayton Oakwood 33-14 and Graham Local 28-21. They are looking to get back to their historical winning ways under second year coach Bob Olwin.

Versailles has a 28-23-2 record versus Coldwater all time. Since entering the MAC though, Coldwater is 7-1 and have won the last five regular

season matchups between these two storied programs.

The last time these two teams met when undefeated was in week 8 of 2005, a game Coldwater won 31-21.

Coldwater has won their last 16 MAC games and looks to start off on the right foot with a victory over Versailles this season.

Cavaliers Start Fast Then Hang Tough

Coldwater scored on their first two offensive plays and then fought tooth and nail the rest of the way to hold off a much improved Versailles Tigers squad 25-14.

Kurt Westerheide scored on a 24 yard scamper on the Cavs first play from scrimmage and Keith Wenning executed a quarterback draw for 75 yards on their next play just three minutes later to put the Tigers in a 12-0 hole with six minutes gone in the first quarter.

Wenning had is best game as a varsity starter with 296

yards of total offense. Keith was 17 of 25 passing for 176 yards and one touchdown while netting 120 yards on 17 carries.

Colin Paynter had six catches and Kurt Schoenheer grabbed five passes. Reese Klenke made his first start since breaking a collar bone in the preseason catching three passes including a 39 yard touchdown pass. Aaron Rammel tallied Coldwater's last touchdown on a 12 yard run in the third.

The Tigers are a much improved team in their sec-

ond season running the spread offense. QB Derek Langenkamp as he was in on all but one of Versailles offensive plays as he ran the ball 25 times and threw a total of 47 passes, completing 25 for 227 yards and 2 touchdowns including a 40 yarder to Mitchell Campbell.

Both teams combined for 656 yards of total offense.

Flyers Next Up for Coldwater

Next week the Cavaliers will travel to Booster Field for their annual match-up with the Flyers of Marion Local. These two teams have locked up in some classic battles and this meeting will be no different.

Both teams come in at 3-0. Marion has wins against Shawnee and Mount Carmel of Ontario, Canada and last week they drubbed Parkway 42-0

The Cavaliers have had the upper hand against the Flyers as they lead the series 29-23-4 and are 7-3 in their last 10 meetings.

Last season Coldwater won 33-14 after Marion started the game intercepting two Kory Klenke passes for touchdowns in the first quarter but the Cavs dominated the rest of the evening scoring 33 unanswered points. Coldwater will need a strong effort this week to be successful against an always tough Flyer team.

Coldwater Offense Dominates Marion Local

Friday saw a battle between two highly ranked teams as Coldwater (#1 in D5) traveled to Maria Stein and defeated Marion Local (#2 in D6) by a score of 42 to 19.

The Cavaliers accepted the opening kickoff and drove 75 yards in 13 plays. The offense dominated the Flyers defense averaging 6 yard per play in amassing 359 yards of total offense plus another 116 yards in the kicking game.

The highlight of the night may have been Ross Wermert's 95 yard kickoff return with 8 seconds left in

the first quarter. Or maybe it was another stellar performance by senior quarterback Keith Wenning who was 22 of 26 passing for 214 yard and three touchdowns. Or could it be Adam Rammel who caught 11 of those passes for 105 yards and two TDs.

Needless to say, when Coldwater hits the field everyone gets involved as Coach Reed spreads the offense and football. Seven Cavs carried the ball and 5 caught the ball.

The Flyers were not without some outstanding plays

either but it was only momentary and not sustained. A 61 yard pass, a 30 yard run and another 75 yard pass accounted for the three Flyer touchdowns

Take away those 165 yards and the Coldwater defense gave up only 132 yards the rest of the evening.

The victory keeps Coldwater at the top of the MAC with Anna, St. Henry and St. Johns. They also lead Region 20 after four weeks with St. Henry and Anna right behind.

Rockets Looking to Ground the Cavaliers

The Anna Rockets make their second visit to Cavalier Stadium since joining the MAC. They are undefeated and looking to knock off one of the other three unbeaten MAC teams.

The Cavaliers are 3-0 versus Anna and none of the games have been close. The average margin of victory for the Cavs is 22. Last season they traveled to Anna hand hung a 23-0 shut out on the Rockets.

But this is a new season and Anna has been maturing quite nicely since jumping to the MAC. The Rockets are returning a number of starters from last year's 9-2 team. This match up will be their toughest test so far but one has to think that they will be ready to face the Cavaliers.

Other games to watch include Marion at St. Henry and Versailles at St. Johns.

Cavaliers Win Battle of Unbeatens

The Coldwater Cavaliers maintained a share of the MAC lead with a 27-13 victory over the Anna Rockets.

The game saw two contrasting styles as the Cav-Gun offense struck quickly and often while the Rockets grinding style of short yardage offense could not maintain a scoring pace good enough to win.

Coldwater scored four times on drives of 13, 62, 92 & 80 yards on a total of 15 plays. Anna's two scoring drives required 13 plays.

Both teams compiled 324

yards of total offense. Coldwater ran 42 plays and Anna ran 63.

The Coldwater defense did a good job of bending but not breaking as they stopped a 18 play, 85 yard drive which took 8:48 off the second quarter clock on their own four yard line.

The Rammel boys were the stars of the evening as Aaron scored on runs of 40 and 68 yards while Adam caught a 10 yard TD pass from Keith Wenning. Colin Paynter had the biggest gainer of the night as he took a Wenning pass 85

yards to the house a minute and a half before the break.

Wenning finished the night 11 of 19 for 160 yards and 2 scores. Paynter caught 2 passes for 93 yards and Aaron Rammel ran 112 yards on 6 carries.

With the victory Coldwater moves to 5-0 on the season and share the MAC lead with St. Henry and St. Johns. In Region 20 the Cavs maintain first place ahead of St. Henry who is second. Anna dropped to seventh with the loss.

Parkways Next Up for Coldwater

This week the Cavaliers travel north on 118 for a matchup with the Panthers of Parkway High School.

The boys from Rockford are having a tough go so far as they stand at 0-5. A visit from the Cavs is probably not something they are looking forward to but this is MAC football and teams always come prepared with their best effort.

The Cavaliers will be highly favored but will have to fight the urge to look forward to next weeks "Backyard Battle" with St. Henry.

Coldwater owns a 42-6-1 record versus the Panthers and has won their last 20 meetings. Last years score was 51-6.

Other big games to watch will be St. Henry's visit to Anna and St. John's visit to Marion Local.

Cavaliers Defeat the Panthers

The Coldwater Cavaliers continued their two decade dominance of the Parkway Panthers as they defeated the gold and black 48-14.

As has been their pattern so far this season the Cavs started off hot scoring 34 points before the halfway point of the second quarter. Adam Rammel has the best night of his career as he snagged 5 passes for 139 yards and four touchdowns on receptions of 14, 57, 49 & 9 yards.

Colin Paynter grabbed another for a 47 yard score. Andrew Feltz had the de-

fensive play of the night as he returned an interception 57 yards for a touchdown.

Quarterback Keith Wenning had another big night too as he threw for 313 yards on 18 of 23 passes and five touchdowns.

The second half saw a lot of second and third string players get playing time as both teams score 14 points including Drew Klosterman scoring the Cavs final touchdown on an 8 yard tote with 4 minutes remaining.

The Panthers collected 219

yards of total offense but only had 84 total yards in the first half against the first team D.

As we said last week, on paper the Panthers may not have matched up well with Coldwater but in the MAC everyone comes to play and play hard. The Panthers are young and the future looks bright for them.

Time for "The Backyard Battle"

Coldwater and St. Henry. It is about 5 miles from the gates of Cavalier Stadium to the gates of the Wally Post Athletic complex in St. Henry.

Many of the players know each other as friends and some are members of the same family. Their two communities have a lot in common including successful athletic traditions.

But all that will be laid aside for about 3 hours on Friday night as the Redskins bring their 5-1 record to Coldwater who stand at 6-0 for the 37th renewal of what has become known as "The Backyard Battle".

St. Henry was tripped up last

week by Anna 14-0 and they need a win to put themselves back into the MAC title race.

Not only will the Redskins need to rise up from their first loss of the season but they will be looking to defeat the Cavaliers for the first time since 1997, a streak of 12 wins for Coldwater.

In their last five meetings the Redskins have only scored 3 touchdowns. The Cavaliers lead the series 25-10-1 including last seasons 34-7 win.

This season the Skins bring a lot of talent and experience so this game should be fun to watch. And be sure to bring a buck or two as the 50-50 should be lucrative as well!

Backyard Battle #37 Goes to Coldwater

The Coldwater Cavaliers won their 13th straight Backyard Battle with a 17 point shutout of the St. Henry Redskins.

It was a wet evening as over two days of rain left the field a soggy mess and a light drizzle only made it worse, the field degrading as the night wore on.

Both team struggled with footing and handling the ball. St. Henry struggle more though as they could only muster 92 yards of total offense on the night against a stingy Cavalier D who only allowed one yard

of rushing to the Redskins. Meanwhile the Cavs navigated the sloppy conditions to 271 yards of total offense.

Keith Wenning completed 11 of his 20 passes for 168 yards and one touchdown. He added another 79 yards on the ground to lead all rushers. Aaron Rammel had 31 yard rushing and along with Reese Klenke had 49 yards receiving.

Late in the first quarter, Coldwater drove 38 yards on 8 plays to a fourth down at the St. Henry 14 yard line. Despite the field con-

ditions Coach John Reed put the outcome of this drive on the foot of Troy Otten and the sophomore converted a 21 yard field goal to give the Cavs a 3-0 lead with 1:22 left in the first.

Reese Klenke snagged a 14 yard TD pass in the second quarter and Wenning capped the scoring with a 7 yard run late in the third quarter to round out the scoring.

The rest of the game saw the teams trade 14 punts as they could not sustain long drives.

MAC Title On The Line At Delphos

After five weeks of MAC competition Coldwater and Delphos stand alone on top of the league with unblemished 5-0 records. Both team are also unbeaten over all at 7-0.

Coldwater is ranked #1 in the D5 poll and Delphos is #1 in D6 and is the reigning D6 champion.

Take all that and add two teams who are equally capable of putting up loads of points and defenses that shut it down and what more could you ask for? (except maybe a dry starry night) This one has all the makings of a MAC Classic.

Both teams should be able to handle their final two opponents so this game is probably

for all the marbles, the winner having the inside track for an uncontested MAC title.

Coldwater leads the all-time series 21-13-1 and they have won their last 6 meetings including last seasons 51-7 victory.

Coldwater has some streaks that their fans would like to see continued. The have won 21 consecutive MAC games and 13 straight home games. They also have 25 consecutive regular season victories. Their last regular season road loss was a 12-10 decision at Versailles in 2003.

Of course all the players care about is playing well enough to win on Friday night.

Turnovers And A Gadget Play Costly To Cavaliers

The tables were turned on the Coldwater Cavaliers Friday night as costly turnovers and a gadget play sparked the Delphos St. John Blue Jays to a 27-20 victory.

On paper the final statistics would lead one to believe that Coldwater won the game. After all, the Cavs who have averaged 2.5 turnovers per game, always seem to negate the impact of those miscues. Not this week and not against the defending D6 state champs.

Delphos jump to a 6-0 first quarter lead on a 38 yard pass play but a Keith Wenning to Ross Wermert 15 yard pass early in the second gave Coldwater a 7-6 lead. On the ensuing kickoff Jordan Bergfeld returned the kick 69 yards into Coldwater territory and 2 minutes later Delphos scored again for a 14-7 lead.

Coldwater answered again late in the second as Wenning hooked up with Resse Klenke on a 6 yard toss to make the score 14-13 as Troy Otten missed the PAT. But Delphos was again quick to respond as less than a minute later they scored on a 41 yard pass play to make the score 20-13 at halftime.

In the second half Coldwater's defense shut down the powerful Delphos offense. After allowing 99 yards rushing it the first half, they stopped the Jays with only 59 yards.

Meanwhile the Cavalier offense posted the only score of the third quarter as Wenning ramblled for 18 yards to tie the score at 20-20 heading into the final quarter.

For most of the final stanza It appeared as if this classic MAC battle would require more than four quarters to decide.

Coldwater had a chance to score late in the quarter as they drove to the Delphos 35 yard line where they faced a forth and five.

After calling a timeout the Cavs went to a play that had worked all night. On seven previous attempts, Wenning had found Klenke over the middle just behind the line backers for 134 yards but this time a Delphos linebacker reached high and knocked the ball down to end the threat with 1:57 to play.

From there the Jays ran 8 plays to reach the Cavalier 28 with 19 seconds to play. After a timeout the Jays ran what appeared to be a sweep around the right side by Jordan Leininger, but he suddenly pulled up and tossed a pass to a wide open Tanner Calvelage for the winning touchdown.

The Cavaliers ran one more play but their attempted at a hook-and-lateral was snuffed out by the Jays along with dreams of a 7th MAC title in the last nine seasons.

The win gave Delphos sole possession of first place in the MAC with a 6-0 mark. Coldwater falls to a second place tie with Anna at 5-1

The loss also snapped a couple of pretty nice steaks for Coldwater who had won 21 straight MAC and 25 straight regular season games.

Coldwater and Anna will need help from either St. Henry or

Delphos if they hope to catch a piece of first place.

Next week Coldwater faces Minster (0-6, 1-7) at Cavalier Stadium in the final regular season game at home where they have won their last 13 matchups.

Coldwater holds at 42-12 all time record in the series, 26-10 in MAC play. Last season Coldwater won 48-0.

Minster has not defeated Coldwater since 1993 which leaves John Reed led teams undefeated versus the Wildcats.

With two weeks left in the regular season Coldwater is a near lock for postseason competition as they retain first place in Region 20. St. Henry and Anna are in third and fourth place.

Cavaliers Rebound to Defeat Minster 35-0

The offensive got off to a slow start but not so the Cavalier defense. For the second time in three games the defense posted a goose egg on the opponents side of the scoreboard and Coldwater rebounded from last weeks defeat by a score of 35-0.

The Minster Wildcats were the victims this time as they could only manage 60 yards in 61 plays.

Ten of Minster's first eleven possession were 'three and out'. The other possession ended with a Ross Wermert interception.

The majority of Minster's yards came on their last possession of the game which consumed the final seven and a half minutes and covered over fifty yards. That drive ended on the Coldwater three yard line as time expired.

It should be noted that the Wildcats started a freshman at quarterback and many of the young men who started the season were no longer on the team having violated team rules a few weeks ago during Minster's Homecoming festivities. (their teammates deserved better)

The Coldwater offense appeared to have taken a less than enthusiastic approach to playing an outmanned opponent as they were unable to move the ball very well in the first quarter. So poor was their performance that halfway through the quarter Coach Reed pulled the first-team offense and sent in the JVs.

That move ignited the Cavaliers as they erupted for five touchdowns in the next 12 minutes. Jacob Pohl got it started with a 9 yard run as time expired in the

first quarter. Three minutes later, Keith Wenning hooked up with Adam Rammel for a 4 yard score. 89 seconds later, following Wermert's interception, Wenning tossed a 25 yarder to Reese Klenke to make the score 21-0.

Coldwater closed out the second quarter with Wenning running 18 yards for a score and hitting Rammel for another pass; 17 yards, to close out the scoring for the evening. The second half saw the JVs get some playing time under the lights.

Young Drew Klosterman led the rushing attack with 34 yard on 17 carries. Wenning totaled 30 yards, Brady Otten had 21 and Kurt Westerheide netted 20 yards.

Wenning finished the evening with 3 touchdown passes while completing 19 of his 29 passes for 225 yards.

The victory was the 16th straight for Coldwater over Minster and they have outscored the Cats 143-0 the past three seasons. It could well be a few years before these teams meet again as the MAC will re-align their schedules next season and at present Coldwater would drop Minster and pickup Ft. Recovery.

Next week Coldwater will close out the regular season with a visit to New Bremen to play the 5-4 Cardinals. The Cavaliers have clinched a spot in the Division 5 playoffs and will have to guard against looking ahead. The Cardinals have played some good football this season. Coldwater has won the last 11 meeting and 16 of the last 17. Last season Coldwater won 38-0.

Bits and Pieces

Congratulations to Keith Wenning as he has made a verbal commitment to attend Ball State University next year.

We don't often write about Coach Reed in this column, preferring to keep the focus on the team and outstanding individual performers. But...

Since arriving in 1995 the Cavaliers led by Coach Reed are...

- 163-20 (84% winning pct)
- 101-14 in the MAC (88%)
- 15 consecutive winning seasons (1995-2009)
- 31-11 playoff record
- 13 straight years in playoffs and 14 of 15 years overall

Including his years at Parkway, Coach Reed is 205-37-1 making him the leading coach in MAC history.

Cavaliers Have No Trouble with New Bremen

The Coldwater Cavaliers got off to a fast start despite a light rain driven by 20-30 mph winds as they defeated the New Bremen Cardinals 47-6 in the final game of the regular season.

The victory leaves Coldwater with a 7-1 MAC record and coupled with Anna's loss to Marion Local gave the Cavs sole possession of second place as Delphos won the MAC title. Coldwater finished the regular season at 9-1.

Coldwater was led again by senior quarterback Keith Wenning who rushed for 46 yards on 6 carries and threw the football 13 times, completing 9 for 123 yards and two touchdowns.

Kurt Westerheide stated the scoring in the first quarter snagging a 7 yard pass from Wenning. On the ensuing kickoff, New Bremen had trouble handing the slippery pigskin and it squirted into the end zone where Reese Klenke recovered it for Coldwater's second touchdown in 10 seconds of play.

Jacob Pohl scored on a 20 yard scamper to close out the first quarter with Coldwater leading 20-0.

Coldwater To Host Playoff Game

The Coldwater Cavaliers finished the 2009 as second place finishers in Region 20 of the Division 5 computer rankings. This earns them the right to host a first round playoff game against the number 7 team, the Rams of Hamilton Badin.

These teams have met once before in week 13 of the 2001 playoffs, a game Coldwater won 23-3. the playoffs. This is Badin's 17th playoff appearance

Badin is a member of the Greater Catholic League and their opponents are mostly D3 and D4

In the second Aaron Rammel scored on a 1 yard run and later Brady Otten intercepted a pass and ran it back 38 yards for another score and things were quickly getting out of hand for the Cardinals.

Coldwater closed out the second quarter with two more scores as Wenning found Adam Rammel for a 39 yard score and brother Aaron scored on a 13 yard run to set the halftime score at 47-0.

In the second half, Coldwater played their second team and the defensive unit did a good job of holding New Bremen in check. But with 1:37 remaining in the third quarter, the Cardinal's best player, Spencer Rohr broke loose around the right end and 78 yards later blew up the Cavalier bid for a second shut-out in as many weeks. Rohr lead all rushers carrying the ball 27 times for 140 yards. Rohr established himself as New Bremen's all time rushing leader.

It was another solid win for the Cavaliers and now they can turn their attention to the playoffs.

schools, although they did have one D1 and a pair of D2 opponents.

This season marks the Cavaliers 13th consecutive playoff appearance and 15th overall. Coldwater owns four regional championships and two state runner up trophies. In 2005 and 2007 the Cavaliers won the D4 state title.

The MAC is sending five teams into the playoffs this year. Anna, Delphos, St. Henry and Marion Local join Coldwater in this years quest for state title glory.

Delphos Wins the MAC

Congratulations to Delphos St. John on winning the MAC title this season. It is the seventh title for the Blue Jays since joining the MAC in 1982 and first since 2000.

With Marion Local's upset of Anna Coldwater gains sole possession of second place. To some that may sound bad but consider that since 1995 Coldwater has finished first or second every year except when they were third in 2000

Also, kudos to Kenton as they win the WBL title (and thanks for those computer points!).

Speaking of computer points it was good to see Ben Logan win their final game of the season. It was tough for them this season as they struggled to a 2-8 record.

Cavaliers Defeat Outmanned Hamilton Badin

The Coldwater Cavaliers began their 2009 playoff quest as they dominated the Rams of Hamilton Badin 41-0 at Cavalier Stadium.

The victory moves Coldwater to 10-1 on the season and sets up a rematch with MAC foe Anna who came from behind to defeat Bishop Ready 20-17. This is the tenth straight season that Coldwater has had at least 10 victories.

The victories by Coldwater and Anna were part of a clean sweep by the five MAC teams involved in this seasons playoffs as St. Henry, St. John and Marion Local also won their matchups.

Hamilton Badin came to Coldwater small in numbers (there were 42 names on their roster though only about 30 appeared on the sidelines) but with some nice sized and athletic players. It was obvious from the get-to that Coldwater had the better football team though. The Cavalier offense get most of the headlines but it was the defense that shown in this game. The D allowed a total of 74 yards, negative 11 rushing and 85 passing yards, picked off two passes and forced seven punts.

Badin quarterback Patrick Coyne was hounded all night by the Coldwater front four. He was sacked five times and rushed for negative 48 yards. The Rams ran a total of 47 plays for 74 yards - or 1.6 yards per play.

Meanwhile the Coldwater offense lead by Ball State bound Keith Wenning was firing on all cylinders. 7 runners combined for 190 yards and passes were caught by nine receivers for 315 yards for a total of 505 yards of total offense. It was the most productive yardage night of the season.

Wenning led all rushers with 82 including a 58 yard draw play where the Badin safety was com-

pleting missing from his position. Ross Wermert added 47 yards and Aaron Rammel added 33 more.

Wenning was also 20 of 27 passing for 285 yards and 5 touchdowns. Seven receivers totaled at least 10 yards with Reese Klenke netting 63 yards along with Adam Rammel 53 and Ross Wermert 35 yards.

Kurt Schoenherr led all receivers with 114 yards on just 4 catches. It was Kurt's first game in four weeks as he had missed the last three games of the regular season due to illness.

The offense got off to a fast start again as they scored 34 points in the first half and then let the reserves bring home the victory.

Reese Klenke caught two touchdown passes of 27 and 17 yards. Ross Wermert had a 35 yard catch, Kurt Westerheide for 15, Andrew Feltz for 15 and Adam Rammel had a 5 yard pitch to round out the Coldwater scoring.

The victory moves Coldwater's play off record to 34-12 overall and 13-2 in week 11. The Cavs have never lost in week 11 at home (9-0).

Next up for Coldwater is Anna in a game to be played at Wapak

In week 5 Anna visited Cavalier Stadium and the Cavs prevailed 27-13. In that game both teams compiled 324 yards of total offense. Coldwater did it 42 plays but Anna required 63 plays. This stat is indicative of the contrasting styles between the Cavs and Rockets. Coldwater is a big play quick strike team and Anna is more adept at grinding it out on the ground and throwing in some medium range passes.

Look for the winner of this game to have less turnovers and win the war in the trenches.

Cavaliers Shoot Down Rockets in Overtime Thriller

Around the state of Ohio the MAC has earned the reputation of being tough competitors in the playoffs because of the seasoning they get during the regular season. So what happens when two of the top three MAC teams in 2009 meet in week two of the playoffs?

In what could prove to be the most exciting, heart stopping, gut wrenching game in this season's Region 20 playoffs, the Coldwater Cavaliers scratched and clawed their way to a 28-21 overtime victory over the Anna Rockets in one of the regional semi-finals.

"Could be" because next up for the Cavaliers is league foe and next door neighbor St. Henry. The Redskins knocked out undefeated West Liberty Salem 42-14 to advance to the championship game of Region 20 against Coldwater. But more about that on page two.

For Coldwater, this game probably ranks up there with Alter and Mooney in 2007. The Cavs required three overtimes to beat Alter in the regional semifinal and blocked a game tying point after touchdown in the waning moments of the Division IV championship to defeat Mooney.

Those games were termed upsets because on paper Coldwater was not considered the superior team. But this season's second meeting between Coldwater and Anna found two equally matched teams who slugged it out for four quarters and still needed an overtime session to determine a winner.

Keith Wenning provided leadership for the Cavaliers as he ran for two touchdowns and caught a pass for another.

The first half saw both teams trade touchdowns as Wenning scored from 8 yards out followed by Anna scoring on a pass to close the first quarter. In the second quarter

Wenning again scored from 5 yards out and Anna responded with another touchdown pass.

But what proved to be the game changer occurred on the ensuing kickoff as Aaron Rammel received the ball on the six yard line, moved to the center of the field, found a crack and busted it to the right sidelines. Ninety four yards later the Cavaliers were back on top 21-14, a lead they took to the locker room at halftime.

The second half was a defensive struggle. The Rockets did manage to score on a one yard plunge with 8:28 left in the third. The rest of the half saw both teams threaten but the defenses stiffened and the stage was set for an exciting overtime.

Anna won the toss and choose to be on defense first. On second and 13 Coldwater did what they do in situations like this, they went off the script. Wenning threw a lateral pass to Sophomore Drew Klosterman who glanced down field and then look back to Wenning and threw the ball to him. Wenning followed four of his mates untouched into the end zone. The PAT kick set the score at 28-21.

Anna then became the victim of a fired up Cavalier D as they stuff a sweep for minus 10, defended an incomplete pass and Kurt Westerheide sacked the quarterback for another six yard loss. Then on fourth and 26, Adam Rammel knocked the final pass to the turf and the celebration began.

Coach Reed put it best when in the post game interviews he said, "I just want to say that Anna didn't deserve to lose the game. They played like winners. That was a great high school football game."

'Nuff said.

After two weeks eight teams are now just two. The MAC went 5-1 and the two left standing are MAC teams.

It's Coldwater & St. Henry in Region 20 Final

Prior to last weeks Anna game Coach Reed was asked how he felt about facing a MAC opponent in the playoffs. He said, "You'd much rather be playing somebody that's not familiar with who you are and what you do. I don't know if in football that's such a great thing to do; play someone twice." Well, for the second time this season and for the second game in a row, Coldwater will face a MAC foe in the state football playoffs. This time it's St. Henry.

St. Henry was nagged by injuries in the second half the regular season and lost three of their last five games. But they are healthier now and in the last two weeks have knocked out two undefeated teams in North Union and West Liberty Salem and stand at 9-3. Coldwater's only blemish was to league champ St. Johns and they sport an 11-1 record.

Although Anna may be a stronger team, St. Henry has something that Anna lacks, substantial history and playoff experience. Anna's seniors have seen just 3 playoff games. St. Henry's veterans have participated in seven playoff games. They won it all in in 2006 and are 2-0 so far this season. Take that experience, add the tradition of St. Henry football and their success in the last three weeks and the Redskins will provide a formidable challenge to the Cavaliers. So in many ways the Redskins are just where they need to be as they face Coldwater for a regional championship.

But, Coldwater has some experience and history too. Since 2006 Coldwater is 10-2 in the playoffs and also owns a state title. The Cavs have defeated St. Henry each season for 13 straight years and stand 26-10-1 all time against the Skins. The 13 year draught could prove to be the highest mountain for St. Henry. So catch your breath and get ready for another intense slobber-knocker as these to MAC powerhouses meet on the Harmon Field turf in Wapakoneta.

Cavaliers Prevail In Yet Another Classic Matchup

For the second week in a row, the Coldwater Cavaliers met a fellow MAC team, the St Henry Redskins, on the turf at Harmon Stadium in Wapak and once again four quarters were not enough to settle the issue at hand.

When the 'black dust' of the Field Turf cleared the two teams were battle worn and weary and the Cavaliers prevailed 47-41 after four overtime sessions.

Coldwater now stands 12-1 on the season and advances to the state semifinals versus Patrick Henry (13-0) next Friday in Findlay. St. Henry retires at 9-4.

The Cavaliers are 8-1 in overtime games four of which have been against St. Henry who defeated Coldwater in a 1996 overtime game. Coincidentally that is the last time St. Henry defeated Coldwater who extended their win streak over the Skins to 14 games in 13 years.

Coldwater put their first touchdown on the board just five minutes into the game when Reese Klenke caught an 11 yard Keith Wenning pass.

St. Henry then took control of the game as they scored twice in the second period and took a 14-7 lead at halftime. The St. Henry defense controlled the game from the middle of the first quarter and when the offense scored again late in the third to set the score at 21-7, there did not seem to be enough time for the Cavaliers to crawl back into it.

But one needs to remember 2007 when the Cavaliers were down to Kettering Alter by 21 points TWICE and won in 5 overtimes. Also they were down 14-0 at half time to Cardinal Mooney in the state final and surprised the red-birds and captured a one point victory on a blocked PAT.

Keith Wenning remembers and he woke up the echoes and lead the Cavs to victory.

Wenning hooked up again with Klenke on a 16 yard pass to pull within a touchdown at 14-7. But St. Henry loosed their grip ever so slightly and Coldwater pushed across the tying score with :55 seconds remaining to play as Wenning pushed his way in from the 1 yard line.

The teams traded touchdowns in the first over time but both missed their extra points and the score stood at 27-27. Both teams scored again in the second and third OTs. St. Henry drove to a fourth and goal in the fourth overtime and elected to kick a field goal which missed the mark. Wenning then ran the ball once for 19 yards and the QB sneak from the one capped off another exciting Coldwater playoff victory.

The game was as close on paper as it was on the scoreboard. St. Henry racked up 406 yards and Coldwater 401. Turnovers did not directly decide the game, but St. Henry lost 2 fumbles and threw one interception. Coldwater did not turn the ball over at all.

Wenning lead all rushers with 132 yards on 32 carries and four touchdowns. He completed 23 of 35 passes for 251 yards and 3 touchdowns.

Reese Klenke rebounded from a MCL strain last week to catch 7 passes for 112 yards and 2 scores. Adam Rammel caught 5 passes for 68 yard and another score.

So for the second week in a row Coldwater has prevailed in an overtime matchup with an MAC foe. Will the battle scares prove too much to overcome as they face undefeated Patrick Henry? If your heart can take it, we'll see you next Friday in Findlay!

Coldwater In the Final Four for Third Time in Five Seasons

Coldwater will meet Northwest Conference power Patrick Henry in a state final game Findlay Donnell Stadium. The other semifinal match will feature Youngstown Ursuline and West Lafayette Ridgewood. The winners will advance to the Division V State Championship at Canton Fawcett Stadium on Dec 4.

The Patriots of Patrick Henry are 13-0 and feature a high powered offense that has averaged 41 points per game. Their defense only allows 12 points per game.

The Patriots features running back Justin Buenger (5-11, 180) who shares Northwest District Division V Co-Offensive Player of the Year with Coldwater's Keith Wenning. During the regular season he rushed 145 times for 1428 yards and scored 26 touchdowns.

Patrick Henry does not throw the ball much as quarterback Luke George (5-11, 180) only completed 94 passes for 928 yards and nine touchdowns but he only tossed one interception. What he doesn't do with his arm he does with his feet as he gained 838 yards and scored 11 touchdowns.

The offensive line features Brad Yarnell (6-0, 260) at tackle and the defense is lead by Xavier Dye who stands just 5-9 - 170 at nose tackle. He compiled 58 tackles and 2 sacks. Defensive end Aaron George has 37 tackles and two sacks. Linebacker Joe Imbrock (5-9, 175) is the main stopper tallying 102 tackles and 7 tackles for loss.

We're Going To Canton! Cavs Advance to D5 Final

The Coldwater Cavaliers advanced to the Division 5 State Championship game on the strength of a 35-24 victory over the Patriots of Patrick Henry.

As the final minute expired off the fourth quarter clock the Coldwater stands began the traditional refrain heard all around the west side of the state of Ohio at this time of year;

M-A-C, M-A-C, M-A-C, M-A-C!

Also, Delphos St. John defeated Marion Local to advance to the Division 6 State Championship game as well. So the MAC chant will be heard in Stark County one again.

This was the first ever meeting between the Coldwater and PH and the fifth time PH has met an MAC school. They have yet to defeat an MAC team.

After two difficult over time games to Anna and St. Henry many wondered if the Cavaliers had any gas left to face the AP #1 Patriots. The defenses controlled most of the first half but both teams capitalized on turnovers to start the scoring.

With just under three minutes remaining in the first quarter Coldwater's Keith Wenning hit is favorite target of late, Reese Klenke with an 11 yard strike to give the Cavs a 7-0 lead.

Patrick Henry responded less than 3 minutes later as Luke George dove in from 2 yards to knot the score at 7-7.

The teams battled the rest of the quarter, but Patrick Henry was able to use up the last 6 minutes of the second quarter to drive 61 yards in 15 plays and kick a 25 yard field goal to take a 10-7 lead going into the half time break.

In the Anna and St. Henry games Coldwater was rather sluggish during the first three quarters. But this team, which has played in 12

playoff games in the past three seasons, know how to kick it in when the have to.

This week they did not wait until the fourth quarter (or overtime) to assert themselves and take control of the game. This time they started on the first play of the second half as Wenning found Klenke on a 46 yard pass over the middle to move the ball to the Patriots 27 hard line. On the next play Wenning hit Adam Rammel with a 27 yard pass to give the Cavs the lead.

Later Aaron Rammel scored from the 2 to make the score 21-10 after three quarters.

On the first play of the final quarter Wenning found Kurt Schoenherr on the right side and after a nifty move Kurt outran Luke George for a 47 yard score. Kurt caught another pass on Coldwater's next possession this time for a 30 yard score.

Patrick Henry responded to both of those touchdowns with scores of their own, but they were just playing catch up. Final score Coldwater 35 Patrick Henry 24.

Wenning has another big night going 26 of 35 for 325 yards and four touchdowns. Klenke caught 6 balls for 108 yards, Schoenherr snagged five for 93 yards and Adam Rammel added another 84 yards on 9 receptions.

Of Wenning Patrick Henry coach Bill Inselmann said, "That Wenning, he's a load. With great players who make great plays, you're going to win.

The Cavalier defense contained Northwest District co-player of the year Justin Buenger allowing him to rush for only 23 yards. He and been averaging over 100 yards per game.

Luke George was the standout performer for PH. He rushed for 111 yards and added another 188 through the air.

Bits and Pieces:

◆ Keith Wenning has been racking up the stats and honors this season. He needs 41 yards to achieve 1000 yards rushing. His 37 touchdown passes rank 17th all time in the state of Ohio. His 3222 yard passing are 27th all time in Ohio. He was voted first team all MAC at quarterback and punter, is the D5 Northwest District Co-Player of the Year. Look for Keith to appear on the All-Ohio honors to be released on December 2nd.

◆ Coach Reed's career record now stands at 283-125-1. His next victory will put him in a 11th place tie with St. Mary's legend Skip Baughman in the Ohio high school football record book.

◆ Since 2000 no team in Ohio has won more games than Coldwater which has 122 victories and two state titles.

◆ As you know, Coach Reed will begin his cancer treatments on December 7. I will be sending out email updates on how he is doing to those who want to be included. You can email me at chris.cron@thecrons.net if you want to be included.

◆ This will be the last Cavalier Weekly for the 2009 season. Thanks again to all of you who read and pass along these pages. You can see all of this seasons Cavalier Weekly on the CavFootball.com website. Thanks to Mike Spriggs for posting our stats there each week too!

State Champion

Its Coldwater vs Youngstown Ursuline

The Coldwater Cavaliers will represent the Midwest Athletic Conference at the OHSAA State Football Finals for the fifth time in school history. Their opponent will be a familiar one too. Once again Coldwater will a team from Youngstown, the Irish of Ursuline.

These two teams will provide book ends to the first decade of the 21st century as they last met on a snowy afternoon in the 2000 state final which Ursuline won 49-37. The Cavaliers will hope to avenge that game and win their third state title in five tries.

Ursuline has made 3 state final appearances and won it all in 2000 and 2008. Coldwater is two for four as they won titles in 2006 and 2007.

Through twelve games this season, Ursuline has compiled these stats. Paul Kempe is 90 of 165 passing for 1621 yards good for 13 touchdowns with 8 interceptions. Their leading rusher is Allen Jones who has 2006 on 243 carries and 27 touchdowns. Ursuline is primarily a rushing team as 15 other rushers have compiled just over 1300 yards and 18tds. Kempe passes have found Akise Teague for 779 yards and 5 TDs, Chris Collins (428-4) and Nico Irizarry (174-2). Trevor Smith leads the defense with 111 tackles and 2 sacks. Dawalyn Harper (86), Jesse Curry (85) and Greg Demario (66) are the other leading defenders.

Special Edition: 2009 Wrap Up

Now that we have had a few days to recover from a disappointing trip to Canton which saw the Cavaliers run into a buzz saw called Youngstown Ursuline, we decided to take a few moments and look back on what has been a fantastic football season at Coldwater.

First, despite the final score there were a few good things that happened at Canton. Quarterback Keith Wenning 414 passing yards ranks fifth all time in all divisions for a championship game. With 3636 total yards, Keith ranks 17th all time in Ohio for passing yards in a season and his 40 touchdown passes puts him in a tie for 13th plays in the TDs per season list.

Adam Rammel caught 14 passes which places him first among all receivers in Division V for receptions in a championship game.

And the 80 points scored by Coldwater and Ursuline now ranks first all time for a Division V championship game.

Looking back at a entire season that saw 820 teams compete in football only 12 teams finished with 13 or more wins including Coldwater

Soon a State Finalist banner will be hung in The Palace, it will be Coldwater's 49th such banner.

The 18 members of the Class of 2010 are among Coldwater's finest. In four years they compiled a record of 50-5 including 31-2 in the MAC.

This season marks the end of the first decade of the 21st century. It also saw the Cavaliers achieve 123 wins which is the most victories among any Ohio school. The Cavs were only defeated 15 times in the last 10 years too. Also Coldwater is the only program to record at least 10 victories in each season of the decade.

The Cavaliers have been the the playoffs for 13 straight seasons and 14 of the last 15.

All of this success can be traced back to the standout leadership of Coach John Reed. He just completed is 15 season at the helm and his record here stands at 168-31 which is an average of 11 wins per season. He leads all MAC coaches with 9 league titles.

Coach Reed is 2 for 5 in state finals and has a overall playoff record of 37-12. And finally his career record is 283-126-1.

Coach Reeds spread offense has averaged 33 points per game, been shutout only twice and held to 7 points or less just 9 times.

One key to Coldwater's long history of success has been the job Coach Tim Hoying has done as defensive coordinator. In the past 15 seasons the Cavalier defense has only given up an average of 13 points per game, posted 41 shutouts and held opponents to 7 points or less 92 times.

We finish with a look at all this seasons individual stats.
